26.2 **Subsequent defaults.** A waiver of any breach of the Agreement or Work Order by a Party or Company shall not constitute a waiver of any other breach (of the same term or of any other term) of the Agreement or Work Order.

27 Entire Agreement and Miscellaneous

27.1 **Entire agreement.** Subject to clause 1.2 (Preamble), the Agreement together with the documents referred to in it constitute the entire agreement and understanding between the Parties of the matters dealt with in them and supersedes any previous agreement between them or the Parties to a Work Order notwithstanding the terms of any previous agreement or arrangement.

27.2 **Representations etc.** Each of the Parties acknowledges and agrees that in entering into the Agreement and any Work Order it does not rely on and will have no remedy in respect of any statement, representation, warranty or understanding (whether negligently or innocently made) of any person (whether Party to the Agreement or any Work Order or not) other than as expressly set out in this Agreement. The only remedy available to it for breach of the warranties will be as provided under this Agreement for breach of warranty.

27.3 **Company Group.** Any Company and beneficiary member of Company Group may enforce the terms of this Agreement against Contractor subject to and in accordance with the provisions of the Agreement and the Contracts (Rights of Third Parties) Act 1999. Furthermore, in the event of Company selling or transferring the Goods/Services to any third party or beneficiary member of Company Group entity in any *bona fide* transaction, Company shall be entitled to assign the rights and benefits of existing warranties and other representations and covenants hereunder in favour of any such third-party Company or beneficiary Company Group entity. Except as provided in the foregoing, no term of the Agreement is intended to confer a benefit on or to be enforceable by any person who is not a Party to the Agreement. The Parties may by agreement rescind or vary the Agreement or any term of the Agreement without the consent of any person who has the right to enforce this Agreement or the term in question notwithstanding that such rescission or variation may extinguish or alter that person's entitlement under that right.

28 Survival of Agreement

28.1 **Survival.** Any release, indemnity or any obligation of confidence under this Agreement is independent and survives termination of this Agreement. Any other term and condition that by its nature is intended to survive termination of this Agreement survives termination of this Agreement unaffected by anything that might have the effect of prejudicing, releasing, discharging or affecting in any other way the liability of the Party giving the indemnity.
